

Q: Think you can't learn SAS[®]?

A: IT'S ALL IN YOUR HEAD!

Two days of no-fee introductory SAS training. **Updated course content on the latest versions of SAS.** Training provided by the University of Iowa SAS Users Group.

Tuesday, August 16th

8:30-12:00 Overview of SAS

1:00-4:30 Making Changes to Data in SAS

Wednesday, August 17th

8:30-12:00 Procedures for Data Insight

1:00-4:30 Graphics & SAS EG

Seating is limited to 28 applicants. **NOTE:** Training is open only to UI staff and students, with preference given to research staff who have not attended before. Participants are selected using criteria that allows representation by as many departments as possible.

To be considered for selection, please apply before **July 31st** by going to the following web page:
